Donation Acquired By: \_\_\_\_\_ Phone: \_\_\_\_\_

Bessie's Hope is the only nonprofit organization in the country that educates and trains youth and adult volunteers to enable comfortable interaction with nursing home elders of all levels of cognitive functioning levels, including advanced Alzheimer's Disease. Sixty percent of nursing home elders receive no personal visitors. The hundreds of at-risk youth who volunteer and the forgotten elders cultivate mutually rewarding relationships and make each other feel valued and needed. The ripple effect is infinite.
